

WELCOME FROM THE PARENT ADVISORY COMMITTEE

What is PAC?

The Parent advisory committee consists of an executive council (President, Vice President, Secretary, Treasurer, Past President) and all of the parents of children in the school.

The PAC raises money to fund many school projects , as well as uniforms, field trip busing, classroom resources, musical instruments, sports uniforms, drama equipment, computers, games, library supplies and sports equipment to name a few.

The PAC meets on the third Wednesday of every month at 7pm in the school library, every parent is welcome to attend and is encouraged to bring new ideas or help with ongoing projects. We are open to any and all support and participation, however big or small. We really need new people to join, a number of the regulars will be leaving in a year or two as their kids go on to high school. It is always good to get fresh ideas in order to better enrich the experience for each and every child.

THINGS WE NEED HELP WITH:

FUNDRAISING: We are always looking for new ideas and help with the ones we are running.

HOT LUNCHESES: We try to put on at least one hot lunch a month. We need at least one parent per class on the day of the hot lunch to hand out the food (takes approx. half an hour)

HEAD CHECKS: In order to prevent the spread of lice we do head checks once a month. Every child in the school is checked and the more parents that we have to help, the quicker it goes. This takes about 2 hours or less and training is provided.

CONCESSION: The school also puts on a concession to provide healthy options for lunch and snacks for the kids at least two days a week. We need a parent to do the shopping (approx 1 hour per week), a parent to run the concession on the day (approx 2 hours per day and can do this one day a week, once a month, bi-weekly-we are flexible).

AGRICULTURE IN THE CLASSROOM: Once every two weeks there is a new fruit or vegetable delivered to the school which must then be distributed to the classes on two separate days. (takes approx half an hour).

If you are interested and can help with any of the things mentioned above, please fill out the following form and return it to the school.

We also encourage grandparents, guardians, caretakers, etc to join.
